On April 7, 2009, the Compensation Committee of the Board of Directors (the "Compensation Committee") of Advanced Micro Devices, Inc. (the "Company") adopted the following policy concerning "gross ups" for excise taxes payable by executives:

In unusual circumstances where the Compensation Committee believes that accommodations have to be made to recruit a new executive to the Company, limited reimbursement for taxes payable may be included in executives' contracts; but, even in such circumstances, the excise tax "gross ups" will be limited to payments triggered by both a change in control and termination of employment and will be subject to a three-year sunset provision.

In addition, the Company hereby clarifies that Mr. Caldwell attended at least 75% of the aggregate 2008 meetings of the Board of Directors and its committees on which he served.
