 - (ii) Rule 16b-3. To the extent that the Administrator determines it to be desirable to qualify transactions hereunder as exempt under Rule 16b-3, the transactions contemplated hereunder shall be structured to satisfy the requirements for exemption under Rule 16b-3.

 - (vi) to construe and interpret the terms of the Plan and Awards granted pursuant to the Plan;
 - (vii) to prescribe, amend and rescind rules and regulations relating to the Plan, including rules and regulations relating to sub-plans established for the purpose of qualifying for preferred tax treatment under foreign tax laws;
 - (viii) to modify or amend each Award (subject to Section 17 of the Plan), including the discretionary authority to extend the post-termination exercisability period of Options or SARs;
 - (ix) to allow Participants to satisfy withholding tax obligations by electing to have the Company withhold from the Shares or cash to be issued upon exercise or vesting of an Award that number of Shares or cash having a Fair Market Value equal to the amount required to be withheld. The Fair Market Value of any Shares to be withheld shall be determined on the date that the amount of tax to be withheld is to be determined. All elections by a Participant to have Shares or cash withheld for this purpose shall be made in such form and under such conditions as the Administrator may deem necessary or advisable;
 - (x) to authorize any person to execute on behalf of the Company any instrument required to effect the grant of an Award previously granted by the Administrator;
 - (xi) to ensure that all Awards granted pursuant to the Plan comply with or are exempt from the provisions of Section 409A of the Code; and
 - (xii) to make all other determinations deemed necessary or advisable for administering the Plan.
- (c) Effect of Administrator's Decision. The Administrator's decisions, determinations and interpretations shall be final and binding on all Participants.

-
5. *Eligibility.* Nonstatutory Stock Options, Restricted Stock, Restricted Stock Units, and Stock Appreciation Rights may be granted to Service Providers. Incentive Stock Options may only be granted to employees of the Company and any Parent or Subsidiary of the Company.
6. *Limitations on Awards.*
- (a) No Rights as a Service Provider. Neither the Plan nor any Award shall confer upon a Participant any right with respect to continuing their relationship as a Service Provider, nor shall they interfere in any way with the right of the Participant or the right of the Company or any Affiliate to terminate such relationship at any time, with or without cause or to adjust the compensation of any Participant.
- (b) Exercise; Rights as a Stockholder; Effect of Exercise.
- (i) Any Award granted hereunder shall be exercisable or vest according to the terms of the Plan and at such times and under such conditions as determined by the Administrator and set forth in the Award Documentation, including, without limitation, Participant's continuous status as a Service Provider and/or Participant's satisfaction of Performance Goals. An Award may not be exercised for a fraction of a Share. An Award shall be deemed exercised when the Company receives written or electronic notice of exercise (in accordance with the Award Documentation) from the person entitled to exercise the Award. The Participant must remit to the Company full payment for the Shares with respect to which the Award is exercised. Full payment may consist of any consideration and method of payment authorized by the Administrator and permitted by the Award Documentation and the Plan. Shares issued upon exercise of an Award shall be issued in the name of the Participant or, if requested by the Participant, in the name of the Participant and Participant's spouse, or after the death of the Participant in the name of the Participant's beneficiaries or heirs or as directed by the executor of Participant's estate under Applicable Laws.
- (ii) Until the Shares are issued (as evidenced by the appropriate entry on the books of the Company or of a duly authorized transfer agent of the Company), no right to vote or receive dividends or any other rights as a stockholder shall exist with respect to the Awarded Stock, notwithstanding the exercise of the Award. The Company shall issue (or cause to be issued) such Shares promptly after the Award is exercised or vests. No adjustment of an Award will be made for a dividend or other right for which the record date is prior to the date the Shares are issued, except as provided in Section 15(a) of the Plan or specified in such Award's Award Documentation.
- (iii) Exercising an Award in any manner that results in the issuance of Shares shall decrease the number of Shares thereafter available, both for purposes of the Plan and for issuance under the Award, by the number of Shares as to which the Award is exercised.
- (c) Misconduct. If a Participant is determined by the Administrator to have committed Misconduct then, unless otherwise provided in a Participant's agreement for services as a Service Provider, neither the Participant, the Participant's estate nor such other person who may then hold any Award granted to the Participant shall be entitled to exercise any such Award with respect to any Shares, after termination of status as a Service Provider,

whether or not the Participant may receive from the Company (or Affiliate) payment for: vacation pay, services rendered prior to termination, services rendered for the day on which termination occurs, salary in lieu of notice, or any other benefits. In making such determination, the Administrator shall give the Participant an opportunity to present evidence to the Administrator. Unless otherwise provided in a Participant's agreement for services as a Service Provider, termination of status as a Service Provider shall be deemed to occur on the date when the Company (or Affiliate) dispatches notice or advice to the Participant that status as a Service Provider is terminated.

(d) 162(m) Limitations.

- (i) Except in connection with his or her initial service, no Service Provider shall be granted, in any calendar year, Awards covering in the aggregate more than 3,000,000 Shares.
- (ii) In connection with his or her initial service, a Service Provider may be granted Awards covering in the aggregate up to 6,000,000 Shares in the first twelve (12) months of such Service Provider's service, rather than the limit set forth in subsection (i) above.
- (iii) The foregoing limitations shall be adjusted proportionately in connection with any change in the Company's capitalization as described in Section 15(a).
- (iv) If an Award is cancelled in the same fiscal year of the Company in which it was granted (other than in connection with a transaction described in Section 15(b), the cancelled Award will be counted against the limits set forth in subsections (i) and (ii) above.

(e) Tax Withholding.

- (i) Where, in the opinion of counsel to the Company, the Company has or will have an obligation to withhold foreign, federal, state or local taxes relating to the exercise of any Award, the Administrator may in its discretion require that such tax obligation be satisfied in a manner satisfactory to the Company. With respect to the exercise of an Award, the Company may require the payment of such taxes before Shares deliverable pursuant to such exercise are transferred to the holder of the Award.
- (ii) With respect to the exercise of an Award, a Participant may elect (a "Withholding Election") to pay the minimum statutory withholding tax obligation by the withholding of Shares from the total number of Shares deliverable pursuant to the exercise of such Award, or by delivering to the Company a sufficient number of previously acquired shares of Common Stock, and may elect to have additional taxes paid by the delivery of previously acquired shares of Common Stock, in each case in accordance with rules and procedures established by the Administrator. Previously owned shares of Common Stock delivered in payment for such additional taxes may be subject to conditions as the Administrator may require. The value of each Share withheld, or share of Common Stock delivered, shall be the Fair Market Value per share of Common Stock on the date the Award becomes taxable. All Withholding Elections are subject to the approval of the Administrator and must be made in compliance with rules and procedures established by the Administrator.

7. *Term of Plan.* The Plan shall continue in effect until July 31, 2024, unless terminated earlier under Section 17 of the Plan.

8. *Options.*

(a) Term of Options. The term of each Option shall be not greater than ten (10) years from the date it was granted.

(b) Option Exercise Price and Consideration.

(i) Exercise Price. The per share exercise price for the Shares to be issued pursuant to exercise of an Option shall be determined by the Administrator, subject to the following:

(ii) In the case of an ISO granted to any Employee who, at the time the ISO is granted owns stock representing more than ten percent (10%) of the voting power of all classes of stock of the Company or any Affiliate, the per Share exercise price shall be no less than 110% of the Fair Market Value per Share on the date of grant.

(iii) In the case of an ISO granted to any Employee other than an Employee described in subsection (ii) immediately above, the per Share price shall be no less than 100% of the Fair Market Value per Share on the date of the grant.

(iv) In the case of a NSO, the per Share exercise price shall be no less than 100% of the Fair Market Value per Share on the date of grant.

(v) The exercise price for the Shares to be issued pursuant to an already granted Option may not be changed without the consent of the Company's stockholders. This shall include, without limitation, a repricing of the Option as well as an option exchange program whereby the Participant agrees to cancel an existing Option in exchange for an Option, SAR or other Award.

(c) Form of Consideration. The Administrator shall determine the acceptable form of consideration for exercising an Option, including the method of payment. In the case of an Incentive Stock Option, the Administrator shall determine the acceptable form of consideration at the time of grant. Such consideration, to the extent permitted by Applicable Laws, may consist entirely of:

(i) Check;

(ii) other Shares which have a Fair Market Value on the date of surrender equal to the aggregate exercise price of the Shares as to which said Option shall be exercised;

(iii) broker-assisted cashless exercise; or

(iv) any combination of the foregoing methods of payment; or

-
- (v) such other consideration and method of payment for the issuance of Shares to the extent permitted by Applicable Laws.
- (d) Termination of Relationship as Service Provider. When a Participant's status as a Service Provider terminates, other than from Misconduct, death or Disability, the Participant's Option may be exercised within the period of time specified in the Option Agreement to the extent that the Option is vested on the date of termination or such longer period of time determined by the Administrator (which may so specify after the date of the termination but before expiration of the Option) not to exceed five (5) years (but in no event later than the expiration of the term of such Option as set forth in the Option Agreement). In the absence of a specified period of time in the Plan or the Award Documentation, the Option shall remain exercisable for three (3) months following the date Participant ceased to be a Service Provider. If, on the date of termination, such Participant's Option is not fully vested, then the unvested Shares shall revert to the Plan. If, after termination, the Participant's Option is not fully exercised within the time specified, then the unexercised Shares covered by such Option shall revert to the Plan and such Option shall terminate.
- (e) Death or Disability of Participant. If a Participant's status as a Service Provider terminates from death or Disability, then the Participant or the Participant's estate, or such other person as may hold the Option, as the case may be, shall have the right for a period of twelve (12) months following the date of death or termination of status as a Service Provider for Disability, or for such other period as the Administrator may fix, to exercise the Option to the extent the Participant was entitled to exercise such Option on the date of death or termination of status as a Service Provider for Disability, or to such extent as may otherwise be specified by the Administrator (which may so specify after the date of death or Disability but before expiration of the Option), *provided* the actual date of exercise is in no event after the expiration of the term of the Option. A Participant's estate shall mean his legal representative or any person who acquires the right to exercise an Option by reason of the Participant's death or Disability.
- (f) Events Not Deemed Terminations: Unless otherwise provided in a Participant's agreement for services as a Service Provider, such Participant's status as a Service Provider shall not be considered interrupted in the case of (i) a leave of absence (approved by the Administrator) by a Participant who intends throughout such leave to return to providing services as a Director, Employee, or Consultant; (ii) sick leave; (iii) military leave; (iv) any other leave of absence approved by the Administrator, *provided* such leave is for a period of not more than ninety (90) days, unless reemployment upon the expiration of such leave is guaranteed by contract or statute, or unless provided otherwise pursuant to formal policy adopted from time to time by the Company and issued and promulgated to employees in writing; or (v) in the case of transfer between locations of the Company or among the Company and its Affiliates. In the case of any Participant on an approved leave of absence, the Administrator may make such provisions respecting suspension of vesting of the Option while on a leave described in subparts (i) through (v) above and/or resumption of vesting on return from such leave as it may deem appropriate, except that in no event shall an Option be exercised after the expiration of the term set forth in the Option.
- (g) ISO Rules. The Option Agreement for each ISO shall contain a statement that the Option it documents is an ISO. However, notwithstanding such designation, to the extent that the aggregate Fair Market Value of the Shares with respect to which all ISOs held by a

Participant are exercisable for the first time by such Participant during any calendar year exceeds \$100,000, such excess Shares shall be treated as Shares subject to an NSO. For purposes of this Section 8(g), ISOs shall be taken into account in the order in which they were granted. The Fair Market Value of the Shares subject to an ISO shall be determined as of the time the ISO with respect to such Shares is granted.

- (h) Buyout Provisions. Subject to Section 8(b)(v), the Administrator may offer to buy out for a payment in cash or Shares an Option previously granted based on such terms and conditions as the Administrator shall establish and communicate to the Participant at the time that such offer is made; *provided* that the Administrator shall not make such offer without the consent of the Company's stockholders with respect to an Option with a per share exercise price that is greater than Fair Market Value on the date of such offer.

9. *Stock Appreciation Rights.*

- (a) Grant of SARs. Subject to the terms and conditions of the Plan, SARs may be granted to Service Providers at any time and from time to time as shall be determined by the Administrator, in its sole discretion. The Administrator shall have complete discretion to determine the number of SARs granted to any Participant.
- (b) Exercise Price and other Terms. The Administrator, subject to the provisions of the Plan, shall have complete discretion to determine the terms and conditions of SARs granted under the Plan; *provided, however*, that no SAR may have a term of more than ten (10) years from the date of grant. In the case of an SAR, the per Share exercise price shall be no less than 100% of the Fair Market Value per Share on the date of grant. The exercise price for the Shares or cash to be issued pursuant to an already granted SAR may not be changed without the consent of the Company's stockholders. This shall include, without limitation, a repricing of the SAR as well as an SAR exchange program whereby the Participant agrees to cancel an existing SAR in exchange for an Option, SAR or other Award.
- (c) Payment of SAR Amount. Upon exercise of an SAR, a Participant shall be entitled to receive payment from the Company in an amount determined by multiplying:
- (i) the difference between the Fair Market Value of a Share on the date of exercise over the exercise price; times
 - (ii) the number of Shares with respect to which the SAR is exercised.
- (d) Payment upon Exercise of SAR. At the discretion of the Administrator, payment for an SAR may be in cash, Shares or a combination thereof.
- (e) SAR Agreement. Each SAR grant shall be evidenced by Award Documentation (a "SAR Agreement") that shall specify the exercise price, the term of the SAR, the conditions of exercise, and such other terms and conditions as the Administrator, in its sole discretion, shall determine.
- (f) Expiration of SARs. An SAR granted under the Plan shall expire upon the date determined by the Administrator, in its sole discretion, and set forth in the Award Documentation.

-
- (g) Termination of Relationship as Service Provider. When a Participant's status as a Service Provider terminates, other than from Misconduct, death or Disability, the Participant's SAR may be exercised within the period of time specified in the SAR Agreement to the extent that the SAR is vested on the date of termination or such longer period of time determined by the Administrator (which may so specify after the date of the termination but before expiration of the SAR) not to exceed five (5) years (but in no event later than the expiration of the term of such SAR as set forth in the SAR Agreement). In the absence of a specified period of time in the Plan or the SAR Agreement, the SAR shall remain exercisable for three (3) months following the date Participant ceased to be a Service Provider. If, on the date of termination, such Participant's SAR is not fully vested, then the unvested Shares shall revert to the Plan. If, after termination, the Participant's SAR is not fully exercised within the time specified, then the unexercised Shares covered by such SAR shall revert to the Plan and such SAR shall terminate.
- (h) Death or Disability of Participant. If a Participant's status as a Service Provider terminates from death or Disability, then the Participant or the Participant's estate, or such other person as may hold the SAR, as the case may be, shall have the right for a period of twelve (12) months following the date of death or termination of status as a Service Provider for Disability, or for such other period as the Administrator may fix, to exercise the SAR to the extent the Participant was entitled to exercise such SAR on the date of death or termination of status as a Service Provider for Disability, or to such extent as may otherwise be specified by the Administrator (which may so specify after the date of death or Disability but before expiration of the SAR), provided the actual date of exercise is in no event after the expiration of the term of the SAR. A Participant's estate shall mean his legal representative or any person who acquires the right to exercise an SAR by reason of the Participant's death or Disability.
- (i) Events Not Deemed Terminations. Unless otherwise provided in a Participant's agreement for services as a Service Provider, such Participant's status as a Service Provider shall not be considered interrupted in the case of (i) a leave of absence (approved by the Administrator) by a Participant who intends throughout such leave to return to providing services as a Director, Employee, or Consultant; (ii) sick leave; (iii) military leave; (iv) any other leave of absence approved by the Administrator, provided such leave is for a period of not more than ninety (90) days, unless reemployment upon the expiration of such leave is guaranteed by contract or statute, or unless provided otherwise pursuant to formal policy adopted from time to time by the Company and issued and promulgated to employees in writing; or (v) in the case of transfer between locations of the Company or among the Company and its Affiliates. In the case of any Participant on an approved leave of absence, the Administrator may make such provisions respecting suspension of vesting of the SAR while on a leave described in subparts (i) through (v) above and/or resumption of vesting on return from such leave as it may deem appropriate, except that in no event shall a SAR be exercised after the expiration of the term set forth in the SAR.
- (j) Buyout Provisions. Subject to Section 9(b), the Administrator may offer to buy out for a payment in cash or Shares an SAR previously granted based on such terms and conditions as the Administrator shall establish and communicate to the Participant at the time that such offer is made; provided that the Administrator shall not make such offer without the consent of the Company's stockholders with respect to an SAR with a per share exercise price that is greater than Fair Market Value on the date of such offer.

10. *Restricted Stock.*

- (a) Grant of Restricted Stock. Subject to the terms and conditions of the Plan, Restricted Stock may be granted to Service Providers at any time and from time to time as shall be determined by the Administrator, in its sole discretion. The Administrator shall have complete discretion to determine (i) the number of Shares subject to a Restricted Stock Award granted to any Participant, and (ii) the conditions that must be satisfied, the vesting of which typically will be based on continued provision of services and/or satisfaction of Performance Goals. Once the Shares are issued, voting, dividend and other rights as a stockholder shall exist with respect to Restricted Stock.
- (b) Other Terms. The Administrator, subject to the provisions of the Plan, shall have complete discretion to determine the terms and conditions, including the purchase price, if any, of Restricted Stock granted under the Plan. Restricted Stock grants shall be subject to the terms, conditions, and restrictions determined by the Administrator at the time the Restricted Stock is granted. Any certificates representing the Restricted Stock shall bear such legends as shall be determined by the Administrator.
- (c) Restricted Stock Award Documentation. Each Restricted Stock grant shall be evidenced by Award Documentation (a “Restricted Stock Award Documentation”) that shall specify the purchase price (if any) and such other terms conditions, and restrictions as the Administrator, in its sole discretion, shall determine.

11. *Restricted Stock Units.*

- (a) Grant of Restricted Stock Units. Subject to the terms and conditions of the Plan, Restricted Stock Units may be granted to Service Providers at any time and from time to time as shall be determined by the Administrator, in its sole discretion. The Administrator shall have complete discretion to determine (i) the number of Shares subject to each Restricted Stock Units Award, and (ii) the conditions that must be satisfied, the vesting of which typically will be based on continued provision of services and/or satisfaction of Performance Goals. Until the Shares are issued, no right to vote or receive dividends or any other rights as a stockholder shall exist with respect to Restricted Stock Units.
- (b) Other Terms. The Administrator, subject to the provisions of the Plan, shall have complete discretion to determine the terms and conditions, including the purchase price, if any, of Restricted Stock Units granted under the Plan. Restricted Stock Units Awards shall be subject to the terms, conditions, and restrictions determined by the Administrator at the time the Restricted Stock Units Award is granted. Restricted Stock Units shall be denominated in units with each unit equivalent to one Share for purposes of determining the number of Shares subject to any Restricted Stock Units Award.
- (c) Restricted Stock Units Agreement. Each Restricted Stock Units grant shall be evidenced by Award Documentation (a “Restricted Stock Units Agreement”) that shall specify the purchase price, if any, and such other terms conditions, and restrictions as the Administrator, in its sole discretion, shall determine. Each Restricted Stock Units Agreement shall be subject to all applicable terms of the Plan and may be subject to any other terms that are not inconsistent with the Plan. A Restricted Stock Units Agreement may provide for dividend equivalent units.

-
- (d) Settlement. Settlement of vested Restricted Stock Units may be made in the form of (i) cash, (ii) Shares or (iii) any combination, as determined by the Administrator and may be settled in a lump sum or in installments. Distribution to a Participant of an amount (or amounts) from settlement of vested Restricted Stock Units may be deferred to a date after settlement as determined by the Administrator and in such manner as shall comply with Section 409A of the Code. The amount of a deferred distribution may be increased by an interest factor or by dividend equivalents. Until an Award of Restricted Stock Units is settled, the number of such Restricted Stock Units shall be subject to adjustment pursuant to the Plan. Notwithstanding the foregoing, settlement of vested Restricted Stock Units held by Participants who are residents of Canada or employed in Canada may be made only in the form of Shares.
12. *Awards to Outside Directors*. Notwithstanding anything herein to the contrary, the grant of any Award to a Director who is not also an Employee (an “Outside Director”) shall be made by the Board pursuant to a written non-discretionary formula established by the Board (the “Outside Director Equity Compensation Policy”). The Outside Director Equity Compensation Policy shall set forth the type of Award(s) to be granted to Outside Directors, the number of shares of Common Stock to be subject to Outside Director Awards, the conditions on which such Awards shall be granted, become exercisable and/or payable and expire, and such other terms and conditions as the Board determines in its discretion. For the avoidance of doubt, Awards granted to Outside Directors shall be subject to all of the limitations set forth in the Plan.
13. *Non-Transferability of Awards*. Unless determined otherwise by the Administrator, an Award may not be sold, pledged, assigned, hypothecated, transferred, or disposed of in any manner other than by will or by the laws of descent or distribution and may be exercised, during the lifetime of the recipient, only by the recipient. Notwithstanding the foregoing, in no event may an Award be sold, pledged, assigned, hypothecated, transferred, or disposed of for consideration absent stockholder approval. If the Administrator makes an Award transferable in accordance with this Section 13, the Award Documentation for such Award shall contain such additional terms and conditions as the Administrator deems appropriate.
14. *Reserved*.
15. *Adjustments Upon Changes in Capitalization, Dissolution, Merger or Asset Sale*.
- (a) Adjustments Upon Changes in Capitalization. Subject to any required action by the stockholders of the Company, the number of shares of Common Stock covered by each outstanding Award, the number of shares of Common Stock which have been authorized for issuance under the Plan but as to which no Awards have yet been granted or which have been returned to the Plan upon cancellation or expiration of an Award, in each case as set forth in Section 3, as well as the price per share of Common Stock covered by each such outstanding Award and the 162(m) annual share issuance limits under Section 6(d) shall be proportionately adjusted for any increase or decrease in the number of issued shares of Common Stock resulting from a stock split, reverse stock split, stock dividend, combination or reclassification of the Common Stock, or any other increase or decrease in the number of issued shares of Common Stock effected without receipt of consideration by the Company; *provided, however*, that conversion of any convertible securities of the Company shall not be deemed to have been “effected without receipt of consideration.” Such adjustment shall be made by the Compensation Committee, whose determination in that respect shall be final, binding and conclusive. Except as expressly provided herein, no issuance by the Company of shares of stock of any class, or securities

convertible into shares of stock of any class, shall affect, and no adjustment by reason thereof shall be made with respect to, the number or price of shares of Common Stock subject to an Award.

- (b) Dissolution or Liquidation. In the event of the proposed dissolution or liquidation of the Company, the Administrator shall notify each Participant as soon as practicable prior to the effective date of such proposed transaction. The Administrator in its discretion may provide for a Participant to have the right to exercise his or her Award until ten (10) days prior to such transaction as to all of the Awarded Stock covered thereby, including Shares as to which the Award would not otherwise be exercisable. In addition, the Administrator may provide that any Company repurchase option or forfeiture rights applicable to any Award shall lapse 100%, and that any Award vesting shall accelerate 100%, provided the proposed dissolution or liquidation takes place at the time and in the manner contemplated. To the extent it has not been previously exercised or vested an Award will terminate immediately prior to the consummation of such proposed action.
- (c) Merger or Asset Sale. In the event of a merger of the Company with or into another corporation (as such merger is described in Section 2(h) herein), or the sale of substantially all of the assets of the Company (as such sale is described in Section 2(h) herein), each outstanding Award shall be assumed or an equivalent Award substituted by the successor corporation or related corporation. In the event that the successor corporation refuses to assume or substitute for the Award, the Participant shall fully vest in and have the right to fully exercise the Awards and all forfeiture restrictions on any or all of such Awards shall lapse, including Shares as to which it would not otherwise be vested or exercisable. If an Award becomes fully vested and exercisable in lieu of assumption or substitution in the event of such a merger or sale of assets, the Administrator shall notify the Participant in writing or electronically that the Award shall be fully vested and exercisable for a period of fifteen (15) days from the date of such notice, and the Award shall terminate upon the expiration of such period. For the purposes of this subsection, the Award shall be considered assumed if, following such merger or sale of assets, the Award confers the right to purchase or receive, for each Share of Awarded Stock subject to the Award immediately prior to such merger or sale of assets, the consideration (whether stock, cash, or other securities or property) received in such merger or sale of assets by holders of Common Stock for each Share held on the effective date of the transaction (and if holders were offered a choice of consideration, the type of consideration chosen by the holders of a majority of the outstanding Shares); *provided, however*, that if such consideration received in such merger or sale of assets is not solely common stock of the successor corporation or related corporation, the Administrator may, with the consent of the successor corporation, provide for the consideration to be received upon the exercise of the Award, for each Share of Awarded Stock subject to the Award, to be solely common stock of the successor corporation or related corporation equal in fair market value to the per share consideration received by holders of Common Stock in such merger or sale of assets.
- (d) Change of Control. Unless otherwise provided in a Participant's agreement for services as an employee of the Company, if, within one year after a Change of Control has occurred, such Participant's status as an employee of the Company is terminated by the Company (including for this purpose any successor to the Company due to such Change of Control and any employer that is an Affiliate of such successor) for any reason other than for Misconduct or, if applicable, terminated by such Participant as a Constructive Termination, then all Awards held by such Participant shall become fully vested for exercise upon the date of termination of such status, irrespective of the vesting provisions of such Participant's Award Documentations.

(e) Other Terms.

- (i) The Administrator may, in its sole discretion, include such further provisions and limitations in any Award, agreement or certificate, as it may deem equitable and in the best interests of the Company that are not inconsistent with the provisions of the Plan.
- (ii) With respect to Awards which are granted to “covered employees” within the meaning of Section 162(m) of the Code and are intended to qualify as “performance-based compensation” within the meaning of Section 162(m) of the Code, no adjustment or action described in this Section 15 or in any other provision of the Plan shall be authorized to the extent that such adjustment or action would cause such Award to fail to so qualify as performance-based compensation, unless the Administrator determines that the Award should not so qualify. No adjustment or action described in this Section 15 or in any other provision of the Plan shall be authorized to the extent that such adjustment or action would cause the Plan to violate Section 422(b)(1) of the Code. Furthermore, no such adjustment or action shall be authorized to the extent such adjustment or action would result in short-swing profits liability under Section 16(b) or violate the exemptive conditions of Rule 16b-3 unless the Administrator determines that the Award is not to comply with such exemptive conditions.
- (iii) The existence of the Plan, the Award Documentation and the Awards granted hereunder shall not affect or restrict in any way the right or power of the Company or the stockholders of the Company to make or authorize any adjustment, recapitalization, reorganization or other change in the Company’s capital structure or its business, any merger or consolidation of the Company, any issue of stock or of options, warrants or rights to purchase stock or of bonds, debentures, preferred or prior preference stocks whose rights are superior to or affect the Common Stock or the rights thereof or which are convertible into or exchangeable for Common Stock, or the dissolution or liquidation of the Company, or any sale or transfer of all or any part of its assets or business, or any other corporate act or proceeding, whether of a similar character or otherwise.
- (iv) No action shall be taken under this Section 15 which shall cause an Award to fail to comply with Section 409A of the Code or the Treasury Regulations thereunder, to the extent applicable to such Award.

16. *Date of Grant.* The date of grant of an Award shall be, for all purposes, the date on which the Administrator makes the determination granting such Award, or such other later date as is determined by the Administrator. Notice of the determination shall be provided to each recipient within a reasonable time after the date of such grant. The date of grant of an Option or SAR shall be the date the Company completes the corporate action constituting an offer of stock for sale to a Participant under the terms and conditions of the Option or SAR; *provided* that such corporate action shall not be considered complete until the date on which the maximum number of shares that can be purchased under the Option and the minimum Option price are fixed or determinable.

17. *Amendment and Termination of the Plan.*

- (a) Amendment and Termination. The Board may at any time amend, alter, suspend or terminate the Plan.
- (b) Stockholder Approval. The Company shall obtain stockholder approval of any Plan amendment to the extent necessary and desirable to comply with Applicable Laws and shall obtain stockholder approval for any amendment to the Plan to increase the number of shares available under the Plan, to change the class of employees eligible to participate in the Plan, to permit the Administrator to grant Options and SARs with an exercise price that is below Fair Market Value on the date of grant, to permit the Administrator to extend the exercise period for an Option or SAR beyond ten years from the date of grant, or to provide for additional material benefits under the Plan.
- (c) Effect of Amendment or Termination. No amendment, alteration, suspension or termination of the Plan shall impair the rights of any Participant, unless mutually agreed otherwise between the Participant and the Administrator, which agreement must be in writing and signed by the Participant and the Company. Termination of the Plan shall not affect the Administrator's ability to exercise the powers granted to it hereunder with respect to Awards granted under the Plan prior to the date of such termination.

18. *Conditions Upon Issuance of Shares.*

- (a) Legal Compliance. Shares shall not be issued pursuant to the exercise of an Award unless the exercise of the Award or the issuance and delivery of such Shares (or the cash equivalent thereof) shall comply with Applicable Laws and shall be further subject to the approval of counsel for the Company with respect to such compliance. Notwithstanding any other provision in this Plan, the Company will have no obligation to issue or deliver certificates for Shares under this Plan prior to: (a) obtaining any approvals from governmental agencies that the Company determines are necessary or advisable; and/or (b) completion of any registration or other qualification of such Shares under Applicable Laws. The Company will be under no obligation to register the Shares with the United States Securities and Exchange Commission or to effect compliance with the registration, qualification or listing requirements of any state securities laws, stock exchange or automated quotation system, and the Company will have no liability for any inability or failure to do so.
- (b) Investment Representations. As a condition to the exercise or receipt of an Award, the Company may require the person exercising or receiving such Award to represent and warrant at the time of any such exercise or receipt that the Shares are being purchased only for investment and without any present intention to sell or distribute such Shares if, in the opinion of counsel for the Company, such a representation is required.

19. *Inability to Obtain Authority.* The inability of the Company to obtain authority from any regulatory body having jurisdiction, which authority is deemed by the Company's counsel to be necessary to the lawful issuance and sale of any Shares hereunder (or the cash equivalent thereof), shall relieve the Company of any liability in respect of the failure to issue or sell such Shares (or the cash equivalent thereof) as to which such requisite authority shall not have been obtained.

20. *Reservation of Shares.* The Company, during the term of this Plan, will at all times reserve and keep available such number of Shares as shall be sufficient to satisfy the requirements of the Plan.

-
21. *Stockholder Approval.* This Plan shall be subject to approval by the stockholders of the Company within twelve (12) months after the date of adoption by the Board. Such stockholder approval shall be obtained in the manner and to the degree required under Applicable Laws.
 22. *Section 409A.* To the extent that the Administrator determines that any Award granted under the Plan is subject to Section 409A of the Code, the Award Documentation evidencing such Award shall incorporate the terms and conditions required by Section 409A of the Code. To the extent applicable, the Plan and Award Documentations shall be interpreted in accordance with Section 409A of the Code and Department of Treasury regulations and other interpretive guidance issued thereunder, including without limitation any such regulations or other guidance that may be issued after the Effective Date. Accordingly, with respect to an Award that the Administrator determines is subject to Section 409A of the Code, (a) termination of services as a Service Provider shall be determined based on the principles under Section 409A of the Code regarding a separation from service, (b) if the Change of Control definition contained in the Award Documentation does not comport with the definition of “change of control” for purposes of a distribution under Section 409A of the Code, then any payment due under such Award shall be delayed until the earliest time that such payment would be permitted under Section 409A of the Code and (c) if the Administrator determines that the Participant granted such Award is a “specified employee” as defined under Section 409A of the Code, then any payment due under such Award upon the Participant’s separation from service shall not be paid until the first business day following the date that is 6 months following the date of the Participant’s separation from service. Notwithstanding any provision of the Plan to the contrary, in the event that following the Effective Date the Administrator determines that any Award may be subject to Section 409A of the Code and related Department of Treasury guidance (including such Department of Treasury guidance as may be issued after the Effective Date), the Administrator may adopt such amendments to the Plan and the applicable Award Documentation or adopt other policies and procedures (including amendments, policies and procedures with retroactive effect), or take any other actions, that the Administrator determines are necessary or appropriate to (a) exempt the Award from Section 409A of the Code and/or preserve the intended tax treatment of the benefits provided with respect to the Award, or (b) comply with the requirements of Section 409A of the Code and related Department of Treasury guidance and thereby avoid the application of any penalty taxes under such Section.
