Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

Departure of Directors or Certain Officers

On October 8, 2014, Advanced Micro Devices (the “*Company*”) announced that Rory P. Read had stepped down from his positions as the Company’s President and Chief Executive Officer and as a member of the Company’s Board of Directors (the “*Board*”). The Board and Mr. Read are currently negotiating a Transition, Separation Agreement and Release. Effective immediately, Mr. Read will continue his employment with the Company in a non-executive role as an advisor through December 31, 2014, when his employment with the Company will end. Mr. Read will continue to receive the salary and benefits he currently receives during this period of time.

Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers

On October 8, 2014, the Board appointed Dr. Lisa T. Su as the Company’s President and Chief Executive Officer and as a director of the Company.

Dr. Su, 44, joined the Company in January 2012 and has served as Senior Vice President and Chief Operating Officer since July 1, 2014. From January 2012 until July 1, 2014, Dr. Su served as Senior Vice President and General Manager, Global Business Units. Before joining the Company, Dr. Su served as Senior Vice President and General Manager, Networking and Multimedia at Freescale Semiconductor, Inc., a company that designs and manufactures embedded processors, where she was responsible for global strategy, marketing, product management and engineering for Freescale’s embedded communications and applications processor businesses. Dr. Su joined Freescale in 2007 as Chief Technology Officer, where she led the company’s technology roadmap and research and development efforts. She was promoted to Senior Vice President and General Manager, Networking and Multimedia in September 2008. Before her employment with Freescale, Dr. Su spent 13 years with IBM in various engineering and business leadership positions, including Vice President of IBM’s Semiconductor Research and Development Center, responsible for the strategic direction of IBM’s silicon technologies, joint development alliances and semiconductor R&D operations. Dr. Su has served on the board of directors of Analog Devices since June 2012. Dr. Su holds a bachelor’s, master’s and doctorate degrees in electrical engineering from the Massachusetts Institute of Technology (MIT), has been published in more than 40 technical publications and was named a Fellow of the Institute of Electronics and Electrical Engineers (IEEE) in 2009. Dr. Su was also named in MIT Technology Review’s Top 100 Young Innovators in 2002.

Dr. Su and the Board are currently negotiating the terms of an employment agreement. Dr. Su is currently paid an annual base salary of \$650,000. Further details of Dr. Su’s compensation are set forth in the Company’s proxy statement for its Annual Meeting of Stockholders, which was filed with the Securities Exchange Commission on March 25, 2014 and is incorporated by reference herein.
